LEARNING AT HOME – Parent & Carer Information Letter

Dear Parents and Carers

Welcome to “Learning at Home” for Term 2.

During Term 2 our aim is to provide your children with a continuation of learning whilst they are working from home.

Students will have two main ways to access learning at home.

1. Educational Resources will be sent home to all students (printed hard copy)
2. Educational Resources will be available online through our school webpage and the internet

Student work packages will be sent to your home address on a regular basis with instructions during Term 2.

CONTACT INFORMATION

If you have any questions please contact the school or your child’s teacher by phone on 9232 3450 or email at thornlie.ps@education.wa.edu.au

Thank you to all parents and carers for your continued support in managing the current changes in our school around COVID 19.

Yours Sincerely,
Mr L Woodcock
Principal
