

Dear parents/carers and staff

I am writing to advise you there has been a positive case of COVID-19 associated with Thornlie Primary School.

It has been determined that there are no school-based close contacts of this case. No students or staff are required to quarantine at this time and should attend school.

Nonetheless, this news should come as a timely reminder for all members of the community to monitor COVID-19 symptoms and seek testing if symptoms develop.

Advice for all families and staff:

- The school remains open.
- We ask that you monitor your child/yourself for symptoms of COVID-19 and get tested and isolate until you receive a negative result if symptoms develop.
- If you or your child develop symptoms, please do not attend school.
- Please note that the Omicron strain can present with less typical symptoms such as diarrhoea, particularly in children.

Kind regards

Lynette Deane-Spread  
Principal  
Thornlie Primary School
