Term 1 Week 2

Wednesday 9 February 2022

Together We Grow

GROWTH, RESPECT, OPPORTUNITY, WORTH

Welcome to All

Dear Parents/Carers

Welcome back everyone to the new school year. A very warm welcome to our new families and to our returning students and families. It has been wonderful to see students settle in quickly and engage so enthusiastically in their learning programs.

NEW ARRANGEMENTS FOR PARENTS AND CARERS ENTERING THE SCHOOL

On Monday the Premier announced that high caseload protocols for schools will be introduced as of 8 February 2022. These measures are designed to keep our schools open and to be able to provide face-to-face learning to your children. The school is considering a number of strategies to allow some activities to continue but in a COVID safe way e.g. choir practise. Parents can also check the school website for information. Attached is additional information regarding safe hygiene practises, safe return to school plan and how COVID is spread.

STUDENTS WHO ARE UNWELL

Parents / carers, please be aware that children who are unwell should not be sent to school. If a child becomes unwell while at school, parents / carers will be contacted to collect the child from school. Thank you for cooperation with this.

PARENTS / VOLUNTEERS AT SCHOOL

Following advice from the Department of Education, **parents and carers can no longer enter classrooms, including to volunteer.** Volunteering in the canteen or at the uniform shop is still permitted, however masks are to be worn at all times and physical distancing of 1.5m applies. Parents and carers are allowed on school grounds for drop off and pick up in outdoor locations, however the wearing of masks and physical distancing (1.5metres) applies. Parents are asked not to gather on the school site. Thank you for your cooperation with this.

CHANGES TO ASSEMBLY ARRANGEMENTS

Schools have been advised to minimise large gatherings on school sites. To comply with this advice, our school will only conduct classroom assemblies (in phase of learning years e.g. years 1 / 2). During these assemblies, Merit Certificates and Positive Behaviour awards will be presented to students. At other times during the term,

Merit Certificates and Positive Behaviour awards will be presented to students in their classrooms.

As parents will not be able to attend assemblies, classroom assemblies will be videoed and uploaded to CONNECT for those parents whose children hosted the assembly. Parents will be notified when this occurs.

The next classroom assembly will be hosted by **Rooms 1, 2 and 3 and held Monday 21 March 2022.**

Assemblies hosted by Student Leaders, will not be held this term.

PARENT / CARER TEACHER MEETINGS

These will be held online or over the phone. Please contact your child's classroom teacher by calling the school on 9232 3450 if you would like to arrange a phone or online meeting.

ADDITIONAL CLEANING TO CONTINUE

Additional funding for enhanced COVID-19 cleaning will continue this term allowing the current additional cleaning regime to continue.

AFTER SCHOOL CARE

During Terms 3 and 4 2021 the school community was surveyed to gain an indication of the number of parents/ carers interested in outside school hours care for their children. Following the survey in Term 4, preliminary discussions were held with an Outside School Hours Care (OSHC) provider about the prospect of opening an onsite service at Thornlie Primary School. The Provider visited the school and advised that they were unable to conduct a viable OSHC program at this stage due to the school numbers and limited space available to conduct an OSHC program.

If circumstances at the school change in the future, we will consider entering discussions again with the Outside School Hours Care provider.

WELCOME TO NEW STAFF

A warm welcome to our new staff; Kerrie Eldrige in Pre-primary EC3, Lucy Adams Education Assistant replacing Sandy Mallatrat for 6 months who is on leave, Sandy Luc and Carolyn Axtens who will work in tandem in the IEC Year 3 / 4 class, Noor Alshemary who will work in tandem with Megan Bottomley in Year 3 / 4, Lina Solar who will teach Year 5 / 6 in Room 14 (commencing Monday 21 February) and Jerome Blake, our new school gardener.

BULLYING. NO WAY!

TAKE A STAND
TOGETHER

What is bullying?

Bullying is when someone:

- ◆ keeps picking on you again and again and tries to make you feel bad,
- ◆ says or does lots of mean things that upset you,
- ◆ makes fun of you a lot,
- ◆ tries to stop you from joining in or make others not like you,
- ◆ keeps hurting you such as hitting or punching you.

Bullying feels awful.

You feel like you can't stop it.

Bullying is **not** OK.

You have the right to feel safe.

You can tell a trusted adult
and, or your friend.

SEASONS FOR GROWTH

Change and loss are issues that affect all of us at some stage in our lives. At Thornlie Primary School we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth*. This program is facilitated in small groups and is based on research that highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. It focuses on developing strengths in areas such as self-esteem, managing feelings, problem-solving, decision-making, communication and building support networks. *Seasons for Growth* is not counselling. It is an education program that uses a wide range of creative activities to learn how to manage well in times of change.

Seasons for Growth has been timetabled to run for 8 weeks for approximately 45 minutes each week. The program will conclude with a *Celebration* session.

If you think your son/daughter would benefit from *Seasons for Growth* we would encourage you to talk to him/her first about this. Should he/she decide to participate, please complete the form from the office and return it to Mrs Thomas (Chaplain) before Monday 14 February.

Thornlie Primary School is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience.

CITY OF GOSNELLS

Safety around schools

GOVERNANCE

School parking

In an effort to provide a safer environment for everyone, the City of Gosnells Ranger Services patrol school parking mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians. Unlawful parking in school areas is a major safety hazard and parking infringements may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, Rangers conduct educational patrols in school areas.

During this period Rangers remind drivers of the need to park legally and safely and enforce the *Parking Local Law 2012* in a number of ways.

As part of this initiative, Rangers also work closely with the school community to promote safety around schools. Information leaflets are distributed to schools for inclusion in school newsletters, and advise parents of the parking requirements under the *Parking Local Law 2012*.

Common parking problems

- Parking in a **No Stopping** area
- Parking in a **No Parking** area
- Double parking
- Parking on a nature strip or verge without the owner's consent
- Parking so that the vehicle causes an obstruction
- Parking against the flow of traffic
- Stopping or parking on a footpath
- Stopping or parking at a bus stop

Be responsible

- Observe parking restrictions (read the signs)
- Be aware
- Use Kiss and Drive (if provided)
- Always be aware of children
- Walk or cycle to and from school
- Plan your trip so that you arrive earlier
- Stop on the school side so your child does not have to cross the road
- Use the crosswalk services at all times
- Use parent's parking bays (where provided)

What NOT to do

- Block driveways
- Park on footpaths
- Obstruct Children's Crossing
- Get frustrated
- Ignore speed limits around schools
- Ignore parking signs

If you need help or advice regarding parking contact Ranger Services during office hours on 9397 3000.

School zones

40km/hr school zones are in place around every school in the City of Gosnells. School zones operate from 7.30am to 9am and 2.30pm to 4pm.

Children warning signs and 40km/hr school zone speed signs are the responsibility of Main Roads WA.

Kiss and Drive

Kiss and Drive zones typically allow parents to pick up and drop off children adjacent to the main school entrance. Kiss your child, say goodbye, allow them out and drive away as soon as possible.

When using the designated Kiss and Drive zone around schools, never leave your car unattended.

Contact your local school to find out if a Kiss and Drive initiative is in place.

Continuous yellow line markings

You cannot stop or park anywhere along a single yellow line painted on the edge of the road. This restriction is in place 24 hours a day and attracts a \$100 penalty.

The City will use yellow lines instead of signage where placement of signs may be difficult, pose a hazard or affect the amenity of an area.

YOUR NEIGHBOURHOOD

Working together towards a safer neighbourhood

THURSDAY 24 FEBRUARY
4PM – 7PM
 Ningaloo Way Reserve
 29 Denham Way, Thornlie

Residents of Thornlie are invited to attend a community event, with activities for the whole family and a free sausage sizzle for the first 250 people.

Your Neighbourhood is an opportunity for local people to get to know their neighbours. There is a limit on participants for this event, so ensure you arrive early to avoid missing out.

Residents who attend this event can enter the draw to win a video doorbell (conditions apply). Limited parking is available and we encourage residents to enjoy a walk to the event with their family and neighbours. For further information, please contact Safe City on 9391 6020 or email safecity@gosnell.s.wa.gov.au.

Due to the potential for the State Government to impose or modify COVID-19 restrictions, please be aware that there may be late changes to this event. Please check the City's website or follow us on social media for updates.

Sensory Rhymetime

Sensory Rhymetime takes popular rhymes like Twinkle, Twinkle Little Star, and Ride a Big Horse and connect them with live music, singing and interactive sensory play to create a unique, fun and educational experience for all children. Including children with a disability, developmental delay, autism and other access needs. Music and sensory play (touch, taste and smell) add to children's understanding and enjoyment of stories and support the development of language and independence. This beautiful program is presented for us by Sensorium Theatre.

Coronavirus (COVID-19)

Coronavirus is spread from person to person.

It is spread by people coughing/
sneezing on someone else.

If someone sneezes or
coughs onto a surface...

...Coronavirus can live
on that surface until
that surface is cleaned.

If someone touches
that surface...

...and then touches their face,
then they can get Coronavirus.

For these reasons we need to be very careful about the way we live.

We need to always cover
our cough and sneeze.

Wash hands regularly and
avoid touching the face

We must keep our distance from other people, so no
shaking hands and keep at least 2 big steps away.
