Term 2 Week 10

Wednesday 29 June 2022

## Together We Grow

### GROWTH, RESPECT, OPPORTUNITY, WORTH

#### Welcome to All

Dear Parents/Carers

Last Friday I had the pleasure of being able to attend the team events at the Winter Carnival and see our Years 5/6 students competing in Netball, Soccer and Football. I was so impressed by the team-work, respect for all players and fairness of play that was demonstrated by Thornlie Primary School students at the carnival. Our school sent two Netball teams; one playing in A Division and one playing in C Division. Neither team made it into the top positions, however they tried hard and played well considering they hadn't been playing together for long. Well done Netball teams! Our Soccer team played in A Division and came second overall. Well done to our soccer team. Our Football team played in B Division and were the overall winners. Congratulations to our football team!

Term 2 is almost at an end and I'd like to wish everyone a safe and happy holiday. We look forward to seeing students back at school on Monday 18 July 2022.

#### SCHOOL DEVELOPMENT DAY

**Reminder to parents/carers that Term 3 School Development Day will be on Friday 22 July. Students do not attend school on this day.**

#### NAIDOC CELEBRATIONS

Unfortunately, our NAIDOC assembly on Tuesday had to be cancelled, however this will be held in Term 3. Parents and carers will be notified next term of the new date once this is confirmed. However, NAIDOC activities planned for this week have still gone ahead with students enjoying lots of fun activities.

The **FREE Sausage Sizzle** will be held on **Friday 1 July 2022**.

#### SEMESTER 1 STUDENT REPORTS

Student Semester 1 reports will go home today. Parents and carers are most welcome to make an appointment to see teachers after the holiday period if they wish to discuss the report.

#### REWARD DAY

The last day of school will be a reward day for students. Students will be able to wear their favourite pyjamas to school and teachers will organise a movie and popcorn for students who have demonstrated positive behaviour throughout Term 2.

#### YEAR 6 CAMP

The Year 6 students' camp will be held at **Woodman Point Recreation Centre from 14 to 16 September 2022** (Week 9 Term 3). The camp information package was sent home with students yesterday. Parents/carers, please complete the enclosed consent forms and return to your child's classroom teacher as soon as possible.

#### PARENT/CARER INFORMATION ON CYBER SAFETY AND VAPING

Next term the school will be providing information to Year 5/6 parents/carers regarding Cyber Safety and Vaping (e-cigarettes). A letter will be sent home early Term 3 to parents/carers of Year 5/6 students regarding the information session and when it will occur. An additional information session will be offered to all parents/carers on Cyber Safety in Term 3. A Fact Sheet about Vaping (e-cigarettes) has been included in this newsletter for interested parents/carers.

#### NAPLAN TEST ITEM TRIALS - ONLINE

Thornlie PS has been selected to participate in this year's ACARA NAPLAN *Item Trial* which will be held from Monday 18 July to Friday 26 August 2022. The purpose of the Trial is to evaluate test items (questions) that are under consideration for inclusion in future NAPLAN tests.

#### PARENT & CARER SURVEY

The school is inviting parents to provide feedback on their experience of our school using the online survey **Tell Them From Me (TTFM)**. The survey can be accessed here: <http://tellthemfromme.com/2022>. The survey is available in several languages that can be accessed on the TTFM website. Use the drop-down menu titled 'Language' to access the language you require. Your feedback is highly valued!

#### PREMIER'S READING CHALLENGE 2022

The Premier's Reading Challenge invites students from Kindy to Yr 10 to read a minimum of 12 books between May and 9 September 2022. Readers who log 12 or more books are eligible to go in the draw to win some fantastic **prizes**. Children can register online, or parents can register for them. Follow this link to find out more: [Home - Premier's Reading Challenge \(premiersreadingchallenge.wa.edu.au\)](http://Home-Premier's-Reading-Challenge/premiersreadingchallenge.wa.edu.au)

*Have a wonderful break and stay safe over the holidays.*

*Kind Regards*

*Lynette Deane-Spread Principal*

Parents/Caregivers

Please remember when taking photographs and videos of school assemblies and events that they are for your personal use only and CANNOT be uploaded to social media sites such as Facebook or websites such as YouTube. Thank you.

## INTERSCHOOL WINTER CARNIVAL

Congratulations to the Interschool Netball, Footy and Soccer teams. What an amazing effort by all teams to show great sportsmanship and effort.

The Footy team won the grand final to take home the Championship Trophy. The Soccer and Netball teams overcame some very tough competition to make Thornlie PS very proud.

## ASSESSMENT OF YEAR 4 STUDENTS FOR THE PEAC PROGRAM

The PEAC Program provides part time extension and enrichment for exceptionally able students in Years 5 and 6.

PEAC offers a range of courses that provide identified students with work that is intellectually challenging.

All students in Year 4 will have the opportunity to be assessed for suitability for the PEAC Program.

Testing at Thornlie Primary School will occur on Thursday 28 July 2022.

The scores from the test will be used in the selection of students for PEAC courses and extension programs during 2023 to 2024 and also educational provision in schools.

If you do not wish your child to be included in the PEAC assessment, please notify the school in writing by Thursday 21 July 2022.

## YEAR 6 CAMP

### Woodman Point Recreation Camp 14–16 September 2022

The cost for students attending the 2022 camp will be \$200 per student. This amount has been heavily subsidised by the school and includes bus fares, food, accommodation and all camp activities.

Parents may choose to pay for the camp through 4 regular payments or in full.

A four payment time frame has been planned to ease financial outlay for parents and carers.

Payment 1: \$50.00 due 22 July  
Payment 2: \$50.00 due 5 August  
Payment 3: \$50.00 due 19 August  
Payment 4: \$50.00 due 2 September

Alternatively parents and carers may wish to pay the full amount of \$200.00 in one payment by 2 September.

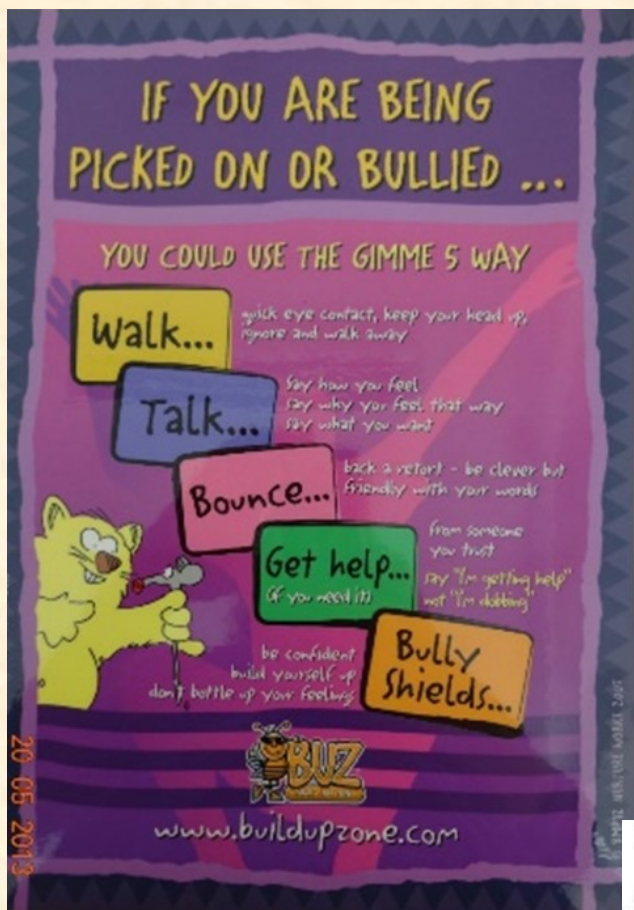

Congratulations to all who have read 12 books and more and achieved a merit certificate in this year's Premier's Reading Challenge. Certificates will all be distributed at the conclusion of this year's Challenge. Each week a student who logs a book title via their online account, will be eligible to win a unique Western Australian experience.

There will be 10 major family holiday experiences on offer to readers who log the most books and also to those who use the challenge to improve their reading skills.

THORNIE PRIMARY SCHOOL  
IS NOW TARGETING

**RESPECT OTHERS**

 **Thornlie Primary School**

Respect yourself - Respect Others -  
Respect the Environment

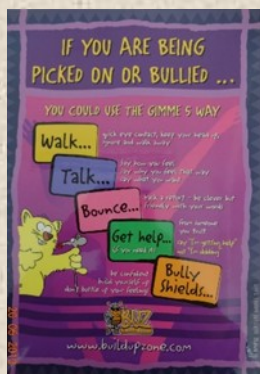

Thornlie Primary School is a  
**BUZ school!**

Rooms 1, 2 and 3 are learning about how to be a friendlier class through *BUZ Today* this term.

This fortnight we learnt to be **Bullyproof** and how to handle ourselves when someone is mean. We learnt how to ask for help and to not dob or be a tattletale.

[www.buildupzone.com](http://www.buildupzone.com)

**Top Friendship Tips**

The Thornlie Primary School Chaplain is available in the Community Room for a confidential 'chat' with students, families and staff from the school community on Mondays, Tuesdays and Fridays. Appointments can be made through the school office on 9232 3450, or just drop in to the Community Room.

*Christine Thomas*  
School Chaplain

# What's Happening in Room 6?

Last week Room 6 made lemonade as part of our procedural writing unit. Students were able to get hands on and involved in the cooking process and even got some delicious lemonade to quench their thirst! After we made our lemonade, we completed a fill in the blanks activity to describe the exciting process.

## **TERM DATES FOR STUDENTS 2022**

### **TERM 2**

Tuesday 26 April 2022 — Friday 1 July 2022

### **TERM 3**

Monday 18 July 2022 — Friday 23 September 2022

**School Development Day Friday 22 July**  
**(Students do not attend on this day)**

This is a 10 week Term

### **TERM 4**

Monday 10 October 2022 — Thursday 15 December 2022

**School Development Day Friday 14 October**  
**(Students do not attend on this day)**

This is a 10 week Term

## **NAIDOC WEEK CELEBRATION P&C Sausage Sizzle**

**Free Sausage Sizzle Lunch  
for all Students  
Friday 1st July 2022**

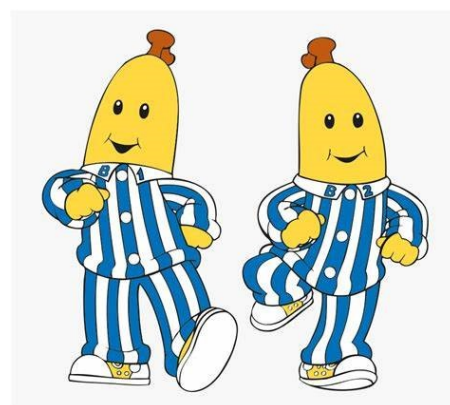

**Complete an order form *now*  
Available in the front office.**

# **Register NOW**

## **Good Behaviour Reward Day Friday 1st July**

**P is for Popcorn and Pyjamas  
Come dressed in your favourite  
Pyjamas and celebrate the end of  
Term Two!!**

## **School enrolments are now open for 2023**

**If your child is starting Kindergarten,  
Pre-primary, Year 7 or changing  
schools you will need to apply  
to enrol by 22 July 2022.**

**Find out more:**

**[education.wa.edu.au/enrolments](http://education.wa.edu.au/enrolments)**

## **Kindergarten Registration**

**School Watch encourages the school  
community to report any suspicious  
activity in an around school  
grounds, after hours and on  
weekends, as well as during  
school holidays. Telephone  
1800 177 777 (freecall)  
or 13 14 44 (WA Police)**

# THE FACTS ABOUT VAPING

Electronic cigarettes or e-cigarettes, often called 'vapes', are electronic devices designed to deliver vapourised liquids into the lungs. There are many different styles of vapes available and they can be difficult to spot.

The main ingredient in vapes is propylene glycol, vegetable glycerine or glycerol, and they often also contain nicotine, flavours and other chemicals. Vapes may contain harmful chemicals that aren't listed on the pack.

The biggest misunderstanding about vapes is that they are harmless compared to cigarettes. This is not true. **Vapes are not safe.**

## DO YOU KNOW WHAT THEY'RE VAPING?

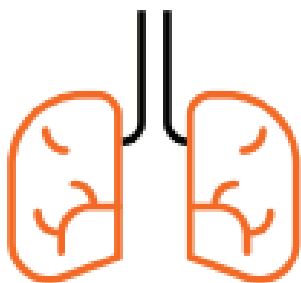

Many vapes contain nicotine making them **very addictive**

The nicotine in 1 vape can **= 50 cigarettes**

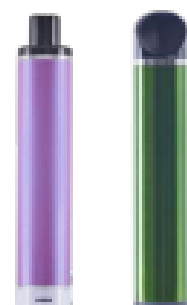

Young people who vape are **3 times** as likely to take up smoking

Vaping has been linked to **serious lung disease**

Vapes can contain the same **harmful chemicals** found in cleaning products, nail polish remover, weed killer and bug spray

Vapes come in a variety of designs and styles and can be **easy to conceal**

## VAPES APPEAL TO YOUNG PEOPLE

The flavours (such as watermelon, grape, caramel, bubble-gum, vanilla and mint) and colourful packaging used for vapes make them appealing to young people. **Many vapes also contain nicotine, which young people can become addicted to very quickly.**

Tobacco companies are continuously looking for new customers. Vapes are a new way to get young people addicted to nicotine, which is often difficult to quit.

## HOW BIG IS THE PROBLEM?

As you may be aware, the uptake of vaping by young people is increasing. Research shows that in WA, **13.5% of school students aged 12 to 17 years have tried an e-cigarette.**

Of those who had tried 2 out of 3 (66%) had not used one in the last 30 days. Young people who vape are 3 times as likely to take up smoking cigarettes.

## NICOTINE IS HARMFUL FOR YOUNG PEOPLE

Nicotine is a drug that is often in vapes and is highly addictive for young brains.

**It can cause long-lasting negative effects on brain development.**

Nicotine changes the way brain synapses are formed in young people.

The impacts can include impaired attention, learning, memory, and changes in mood.

## RISKS TO PHYSICAL AND MENTAL HEALTH

Vapes may expose young people to chemicals and toxins at levels that have the potential to cause negative health effects. **Vapes can leave a young person at increased risk of depression and anxiety.** Vaping has also been linked to

serious lung disease. Importantly, many of the long-term harms of vaping are still unknown. The liquid in vapes and the vapour is not water. Vapes can expose young people to:

- the same harmful chemicals found in cleaning products, nail polish remover, weed killer and bug spray;
- toxins such as formaldehyde and heavy metals;
- ultrafine particles that can be inhaled deep into the lungs;
- flavouring chemicals such as diacetyl (a chemical linked to serious lung disease). Vapes have even been known to explode causing serious burns.

## THE LAWS AROUND SELLING VAPES IN WA

It is reported that young people often purchase vapes online, from retail stores or from friends and contacts in the community. However, it is illegal in WA to sell e-cigarette devices and nicotine vaping products to anyone regardless of age, unless they are prescribed by a doctor for smoking cessation purposes and obtained with a prescription from a pharmacy.

In WA e-cigarette devices and their components, whether or not they contain nicotine, cannot be sold by tobacco or general retailers. It is also illegal to sell vapes to friends at school or in the community. If you suspect someone is selling vapes or e-cigarettes and their components, you can report it to the Department of Health by emailing [TobaccoPolicy@health.wa.gov.au](mailto:TobaccoPolicy@health.wa.gov.au).

## IS YOUR CHILD VAPING?

You may not know your child is vaping as vapes are small and resemble common items like lighters, pens and USB drives. They are also not easy to smell.

Tell-tale signs that your child might be vaping include the symptoms of nicotine addiction such as your child feeling irritable or anxious. If your child is vaping, encourage them to stop and let them know that help is available and you are there for them. Stopping vaping can sometimes be hard and your child may need advice from a GP.

It also helps to set a good example by being tobacco and vape-free yourself.

## MISLEADING AND DANGEROUS LABELLING

Vaping products are often not labelled or are incorrectly labelled.

The labels may state that vapes are nicotine free, but many of these products contain nicotine and a lot of other chemicals.

They just don't put it on the pack.

## THE IMPORTANCE OF TALKING TO YOUR CHILD

If you suspect your child is vaping, take the time to talk to them about it and help them understand all of the risks.

As vaping is often common in schools, they may see it as a normal or safe thing to do, but that is not the case.

**It is important to let your child know the risks of vaping.** Try to start the conversation with your child in a relaxed easy-going way, perhaps taking the cue from around you, such as a note from school, a news story about it, or seeing people vaping on the street. And have your facts ready.

## DO YOU KNOW WHAT THEY'RE VAPING?

**DO YOU KNOW WHAT THEY'RE VAPING?**

# ENROL NOW

## Applying to enrol your child Kindergarten

### Enrolment application process

Once you submit your child's application for enrolment, it will be assessed by the school's principal. In some cases, the school may receive more applications than places available. When this happens, the principal prioritises applications.

1

#### First priority

- You and your child live in the school's local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

2

#### Second priority

- You and your child live in the school's local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

3

#### Third priority

- You and your child live outside the local-intake area.
- They have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

4

#### Fourth priority

- You and your child live outside the local-intake area.
- They do not have a sister or brother enrolled in the same school next year.
- You live nearest to the school.

If your child's school doesn't have a local-intake area, the principal will prioritise applications from those that live nearest to the school to those living furthest from the school.

### Why do I need to apply by the 22 July?

Applications submitted by the deadline form part of the school's first round offers. You can still apply after 22 July, but this may mean that your child misses out on a place.

If your child is not offered a place, the school staff will help you find another school as close to your home as possible.

### What do I need to have to apply to enrol my child?

- Your child's birth certificate or identity documents.
- Proof of your child's residential address.
- If your child was born outside Australia or is a temporary resident of Australia, you need their passport, visa and travel documents.
- You need to tell the school whether your child has an Australian Immunisation Register (AIR) immunisation history statement.

### Don't have all these documents right now?

Provide as much information as you can. You should make a time to speak with school staff to let them know what is missing and why you don't have it.

**Don't forget.** You will need your child's current Australian Immunisation Register Immunisation History Statement if your child is offered a place.

### How long does it take?

Contact your child's school if you would like an update on their application.

CBCA BOOK WEEK 2022  
20-26 August

# Dreaming with eyes open...

#CBCA2022

ARTWORK BY JASMINE SEYMOUR | © THE CHILDREN'S BOOK COUNCIL OF AUSTRALIA

## Coming Soon!!

### Book Week Inursion Term 3 Wednesday 24 August

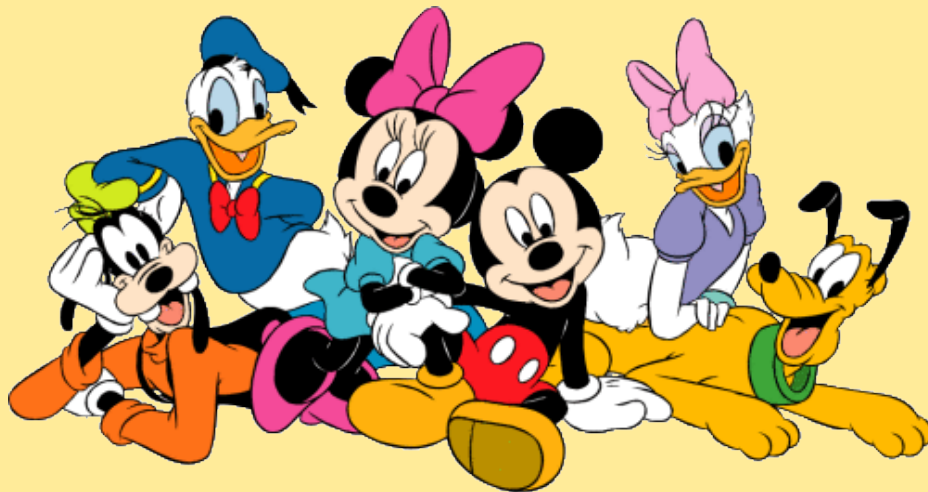

We're excited to have Professor Cheryl Kickett-Tucker an emerging author of children's fiction books visit our school on Wednesday 24 August to present an amazing story time and share her experiences of growing up in 3 different aboriginal backgrounds.

This will be so interesting and exciting for kids to celebrate this year's book week theme Dreaming with our eyes open. Professor Cheryl Kickett-Tucker is a Wadjuk Noongar Aboriginal from WA. She belongs to three areas of the Noongar people-Wadjuk (Swan River), Balladong (wheat belt) and Yued (Moora).

### Book Character Dress Up Parade Thursday 25 August

Come dressed as your favourite book character and join in the fun at our annual Book Week Parade on Thursday 25 August at 9.00am in the new undercover area.

## SEASONS FOR GROWTH

Seasons for Growth is a group for children who are transitioning through change.

The Level 2 and 3 Seasons for Growth groups have finished for the term. Next term there will be Celebrations of what the groups have learnt.

In the final session we learnt that having good **support** is good for **moving forward** and important to help keep us 'stable' to manage future changes - just like a kite tail keeps it stable while flying.

For more information about Seasons for Growth contact the School Chaplain or go to <https://www.goodgrief.org.au/>

## WANTED

Playgroup is in recess.

The Playgroup is seeking expressions of interest for a volunteer coordinator of the playgroup for the rest of 2022. It needs a commitment of about 2 hours a week on a Tuesday morning during school term. Duties would include membership registration, simple finances, simple activities, stories and singing; plus being friendly and having fun!

The Playgroup WA Playgroup Development Officer will be assisting with the 2022 set-up; and, with the school, will be supporting the position throughout the year.

Please contact Christine Thomas (Chaplain) through the office

## DENTAL NEWS

The Thornlie Dental Therapy Centre will be closed for the July School Holidays From: Monday 11 July 22 until Wednesday 13 July 2022

In case of an Emergency only on these days please call the following Centre:

Gosnells Dental Therapy Centre on: 93984006.

Should an emergency arise outside these times, or on a Public Holiday, Please contact :

\*The emergency service on 1800 098 818

\*Or your local private dentist.

\*Or the Oral Health Centre of W.A on 64574400 (eligibility criteria apply)

The School Dental Service continues to provide free and general preventive dental care for all enrolled students from Pre-primary to year 11.

The Thornlie Dental Therapy centre will reopen on Monday 18 July 2022

Thank you  
Dental Staff

What a great job our Student Leaders are doing this week in organising the Handball competition. Year 1 and 2 had lots of fun playing on Monday during their lunchtime with student leaders teaching them the skills of handball. Year 3 and 4 will compete on Wednesday and finally Year 5 & 6 on Thursday.

# Thornlie CoderDojo

This Tuesday 5<sup>th</sup> July

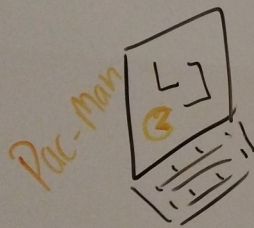

4:00pm - 5:30pm

Come try coding on computers  
or play board games.

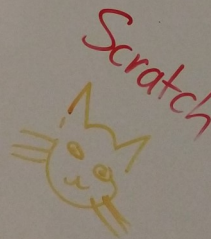

Come and  
try it.  
Bring friends  
and  
family.

Any age  
Welcome.

Under 18's  
Bring a responsible  
adult.

Lego  
Robots

Free WiFi  
and laptop  
use.

CoderDojo movement believes that an understanding of programming languages is increasingly important in the modern world, that it's both better and easier to learn these skills early, and that nobody should be denied the opportunity to do so.

To that end, we've built a global network of free, volunteer-led, community-based programming clubs for young people. Anyone aged seven to seventeen can visit a Dojo where they can learn to code, build a website, create an app or a game, and explore technology in an informal, creative, and social environment.
