## Together We Grow

### GROWTH, RESPECT, OPPORTUNITY, WORTH

#### Welcome to All

Dear Parents/Guardians

I would like to take this opportunity to thank staff, students, community members and parents for the wonderful contributions that you have made to our school in 2018.

I hope that you enjoy a very safe and happy holiday season and we look forward to seeing you back in 2019.

#### PERIMETER FENCE PROPOSAL

In order to reduce the incidents of vandalism and better protect our school grounds we intend to fully fence the perimeter of the school on Churchdown St, Culross St and Thornlie Avenue.

This proposal does not include the school oval in order for community members to be able to access this area after hours.

Parents and community members are invited to make comment or come to the front office and view the proposed plans from 12 February 2019.

#### THANK YOU & FAREWELL

I would like to formally acknowledge Mrs Janette Stojanovski who is officially retiring from school life. Thank you for your dedication and marvellous contribution that you have made to Thornlie Primary School over many years of service as our School Library Officer. You will be missed by both our staff and students. We hope that you enjoy a well-earned retirement.

Kind Regards  
Lee Woodcock  
Principal

Thank you to Thornlie Senior High School, and in particular, Tessa Batty (Music Teacher) and her students, for giving the children of Thornlie Primary such a treat last Thursday 6 December.

It was a great opportunity for our students to experience the range of music offered at their local high school and to experience that in their wonderfully equipped auditorium. Students and staff of Thornlie Primary School thoroughly enjoyed the fabulous and diverse items prepared by the high school students, some of whom were students at our school in their primary school years.

Our students also did us proud by displaying their concert etiquette throughout the performances. Well done students!

Parents/Caregivers

Please remember when taking photographs and videos of school assemblies and events that they are for your personal use only and CANNOT be uploaded to social media sites such as Facebook or websites such as YouTube. Thank you.

## DOGS ON SCHOOL GROUNDS

Many of us have dogs and we like to think our dogs are safe around Children. Unfortunately, schools are not places where we should allow dogs to demonstrate/test such qualities. Even if we believe our dogs are placid, we cannot afford the risk of agitation by a child or vice versa.

For this reason and the general safety of all our Students, dogs are not permitted on our school grounds, including drop-off and pick-up times.

Regardless of size or temperament, and whether a dog is on or off a leash or carried, no dogs are permitted on the grounds of Thornlie Primary School.

The only exception to this rule is for Assistance Dogs. Owners of such dogs are asked to bring their paperwork to the office in the first instance before entering further into the grounds.

## BUZ (Build Up Zone)

Thornlie Primary School is now a BUZ school!

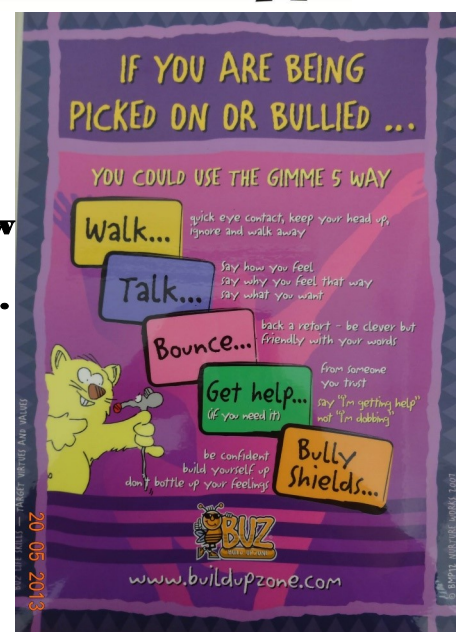

BUZ Life Skills is a proactive, wholesome approach that enables children to develop emotional and social well being.

Students in Rooms 1, 2 and 3 have completed BUZ Today, learning about feelings and friends – especially skills to understand, recognise and handle feelings, making and keeping friends, solving fights and handling things when others are not being friendly.

They have learnt many skills to enable them to be a friendlier class so that our school can be a **Build Up Zone**.

**We know how to be "Bullyproof".**

## Hi Transperth

Kids going to high school in 2019?

Transperth

Transitioning from primary to secondary school is an exciting time for kids. Learning how to travel independently on public transport is one of many new experiences students will face.

If you have a child heading to high school next year, use the Get on Board website to help get them started using Transperth.

Visit [www.getonboard.transperth.wa.gov.au](http://www.getonboard.transperth.wa.gov.au) to find out more!

## THORNLIE SENIOR HIGH SCHOOL TRANSITION

A small group of students went to Thornlie Senior High School for an extra transition program. They met students and staff from TSHS, had a tour around the school, had an art, cooking, dance and computer lesson and played get to know you games with year 6's from other local schools.

School Watch encourages the school community to report any suspicious activity in and around school grounds, after hours and on weekends, as well as during school holidays. Telephone 1800 177 777 (freecall) or 13 14 44 (WA Police)
