Term 2 Week 2

Wednesday 24 April 2024

Together We Grow

GROWTH, RESPECT, OPPORTUNITY, WORTH

Welcome to All

Dear Parents and Carers

Welcome back to Term 2.

ANZAC CEREMONY

Thankyou to parents and carers who were able to attend our ANZAC Ceremony this week. Students have been learning about the history of this important event in their classrooms.

PUBLIC HOLIDAY

A reminder that this Thursday April 25th is public holiday. Students do not attend school.

TERM 2 PARENT CALENDAR

A reminder to check the term calendar for upcoming events and dates.

AFTER SCHOOL HOURS & PLAYGROUNDS

A friendly reminder that all school playgrounds are out of bounds before and after school. Students are not permitted to stay and play on the oval area after school and must travel home immediately.

EXCURSION & INCURSION SUBSIDY FOR STUDENTS 2024

In order to provide support to our students to attend incursions or excursions this year the school will provide a subsidy to reduce the overall cost.

FOOD ALLERGIES

A reminder that some of our students have allergies to foods such as peanuts and tree nuts. We respectfully ask that Parents and Carers for this reason DO NOT send nuts or nut products to school in lunch boxes. We ask that food is NOT shared amongst other students. We ask that you please reinforce this message at home with your children. Thank you.

MOBILE PHONES AND SMART WATCHES AT SCHOOL

Parents/carers, please remind your children that if they bring their mobile phone or a smart watch to school, they must hand these into the front office on arrival at school (IEC office for IEC students) and then get their phone or watch before leaving the school. Thank you for your cooperation with this.

HATS AT PLAY TIMES AND PHYSICAL EDUCATION

Staff are requesting support from parents/carers in ensuring their child has a hat for school and to encourage children to bring their hat to school and wear it when they go outside for play and sport. During these warm months, it is very important that students have a hat for play and physical education.

BREAKFAST CLUB

A reminder that our before school breakfast club operates every Monday and Thursday from 8am in the covered assembly area. All students are welcome to attend.

Lee Woodcock
Principal

Parents/Caregivers

Please remember when taking photographs and videos of school assemblies and events that they are for your personal use only and CANNOT be uploaded to social media sites such as Facebook or websites such as YouTube. Thank you.

Education

The WA Student Assistance Payment

Helping you get
the things you need
for your kids.

\$150

For each Kindergarten
and primary school student

\$250

For each secondary
school student

To help ease cost-of-living pressures on families with school-aged children, the State Government is offering the WA Student Assistance Payment.

This payment is to help you get the things you need for your kids. From new school shoes, backpacks and sports equipment to uniforms, healthy meals, school excursions and more.

Get ready to claim

Download the ServiceWA app to your mobile device.

Available from the Apple App Store or Google Play Store.

Locate the student's 8-digit WA student number (WASN).

You'll find it on:

- school reports
- previous NAPLAN results
- secondary student's SmartRider

If you have trouble locating the number, contact your school for assistance.

Claims open Monday 15 April

For more information about the WA Student Assistance Payment and how to claim, go to education.wa.edu.au/wasap

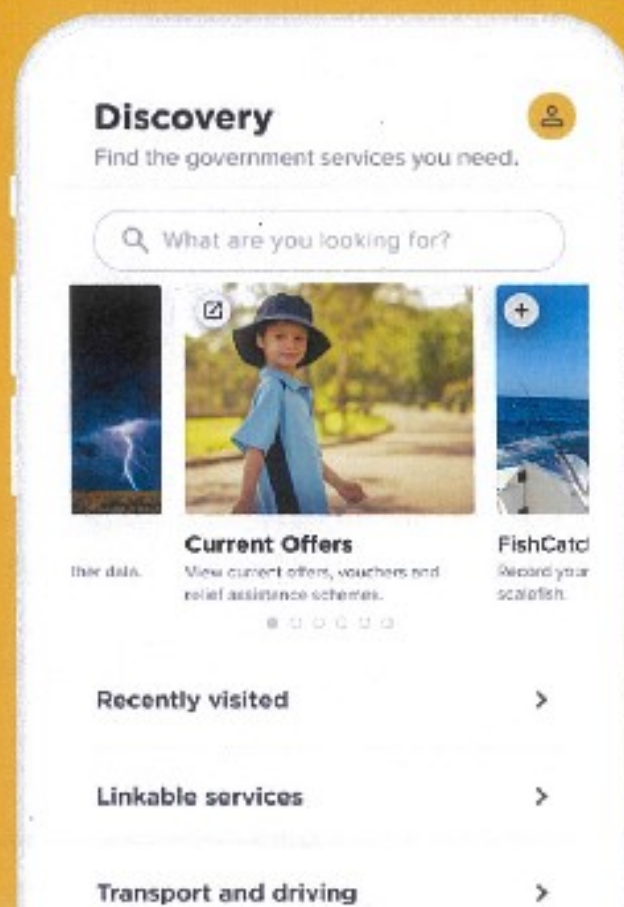

Claim on the
ServiceWA app

Join us at Maddington Central for fun children's activities and a story time.

Maddington Central shopping centre
Corner Burslem Drive and Atfield Street, Maddington

No bookings required

Thursdays

9.30am – 10.30am

Australian Early Development Census

Thornlie Primary School

Building a national picture of child health

From May 2024, our school, along with thousands of others across the country, will participate in the Australian Early Development Census (AEDC).

The AEDC is a teacher-completed census (similar to a questionnaire) which provides a comprehensive picture of how children have developed by the time they start their first year of full-time school.

The AEDC is an Australian Government Initiative and is completed nationally every three years.

Children don't miss any class time while the AEDC is completed, and parents/carers don't need to supply schools with any new information.

The data collected through the AEDC is used by schools, communities, and governments to better understand children and families' needs, and identify the services, resources and support they need.

AEDC data is reported at a school, community, state/territory and national level. AEDC results for individual children are not reported and the AEDC is not used as an individual diagnostic tool.

Some teachers have found that completing the AEDC made them more aware of the needs of individual children and their class, and that the data was useful for planning for transitions to Year 1 and developing programs.

Participation in the AEDC is voluntary, however the AEDC relies on all schools with children in their first year of full-time school participating in the collection. Parents/carers don't need to take any action unless they choose not to include their children in the census.

To find out more about the AEDC and how it is being used to help children and families visit:

www.aedc.gov.au.

The 2024 Australian Early Development Census

Every school counts

The Australian Early Development Census (AEDC) is a national census that builds a picture of how children have developed by the time they start their first year of full-time school.

Every school has a vital role to play in helping our nation collect the information it needs to better understand and respond to the needs of children and their families.

Since 2009, communities, schools and governments across Australia have used AEDC results to help provide services, resources and supports that give our kids the best start in life.

From May 2024, teachers will complete the census for children in their first year of full-time school.

AEDC results for individual children are not reported and individual children cannot be identified.

With the support of parents/carers and schools, we can build a more complete picture of early childhood development in Australia. If parents/carers consent to the collection of their child's information they do not need to do anything. Parents/carers only need to contact the school if they do not consent to the collection of their child's information.

To find out more about the AEDC and how schools, communities and governments are using the data to help children and families, visit www.aedc.gov.au.

Lynwood
SENIOR HIGH SCHOOL

ENVIRONMENT & LIFE SCIENCES

ABOUT OUR PROGRAM

The Environment and Life Sciences Program at Lynwood Senior High School is an academic enrichment program that provides students with access to an accelerated curriculum in key learning areas.

Students in EaLS also participate in cross-curricular projects in school, incursions, community partnerships and excursions. The additional educational opportunities offered in EaLS focus on sustainability, environmental education, STEM skills and increasing the overall academic performance of students.

Dear parent or carer,

Your State Government recognises the cost of living pressures Western Australian families are facing, as a result of higher interest rates and increased day-to-day costs.

Providing cost of living support to Western Australians is our number one priority.

We also believe that nobody in Western Australia should be left behind in their education. All students should have what they need for school – regardless of their financial situation.

That's why we are pleased to introduce a new initiative to help with cost of living pressures for families with school-aged children.

The new WA Student Assistance Payment will provide parents and carers with a \$250 payment for each secondary student, and \$150 for each primary school student or kindergartener.

You will need a valid WA Student Number (WASN) to be eligible for the payment. Please see attached important information on where to find your child's WASN.

The payments will be available through the ServiceWA app from the start of Term 2 (April 15), and we encourage you to use the coming weeks to set up your ServiceWA account and digital identity. Further information is available at wa.gov.au/servicewaapp.

Visit education.wa.edu.au/wasap for information on eligibility and how to claim.

We hope this initiative provides both relief to the family budget and an important investment in your child's education.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Roger Cook".

Hon Roger Cook MLA
Premier of Western Australia

A handwritten signature in blue ink, appearing to read "Tony Buti".

Hon Dr Tony Buti MLA
Minister for Education

CHAPLAINCY

What does a YouthCARE Chaplain do?

At YouthCARE we believe school chaplaincy matters. By focusing on the wellbeing of students, parents and teachers in WA school communities, we're making a real difference to educational outcomes.

Your school chaplain forms an integral part of your school by:

- providing pastoral care for staff, students and families
- linking schools with the local community, support agencies and organisations
- playing an active role assisting and supporting school events
- facilitating pastoral support programs and resources
- supporting, mentoring, encouraging and empowering the school community

Respect • Compassion • Service

Our core values underpin everything we do.

BECOME A FRIENDSHIP MAGNET

- Smile
- Show Interest
- Listen Attentively
- Be Inclusive

little life lessons • BIG life skills

The Thornlie Primary School Chaplain is available in the Community Room for a confidential 'chat' with students, families and staff from the school community on Mondays, Tuesdays and Fridays. Appointments can be made through the school office on 9232 3450, or just drop in to the Community Room.

Christine Thomas
School Chaplain

Seasons For Growth

Living with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Thornlie Primary School we recognise that when changes occur in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth* which will commence in this term. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

If you think your child would benefit from Seasons for Growth we would encourage you to talk to him/her about participating in the program.

Thornlie Primary School is pleased to be offering this important program through the Chaplaincy Service and we are confident that it will be a valuable learning experience for those who request to be involved. If you require further information, please contact the school chaplain, Christine Thomas, on 9232 3450 or go to <https://www.goodgrief.org.au/>

Christine Thomas

(Chaplain and Seasons for Growth Companion/
Site Co-ordinator)

CoderDojo movement believes that an understanding of programming languages is increasingly important in the modern world, that it's both better and easier to learn these skills early, and that nobody should be denied the opportunity to do so.

To that end, we've built a global network of free, volunteer-led, community-based programming clubs for young people. Anyone aged seven to seventeen can visit a Dojo where they can learn to code, build a website, create an app or a game, and explore technology in an informal, creative, and social environment.

Choose your challenge:

1. Scratch
2. Javascript
3. Python
4. Lego Mindstorms now with Micropython!
5. Arduino Robots

Australian Early Development Census

All schools are required to complete the AEDC in Term 2, 2024.

The AEDC gives us a complete picture of how children have developed by the time they start school. The data is used by schools, communities, and governments to plan services and supports that give our kids the best start in life.

Ikon Plan for AEDC

CITY OF GOSNELLS

Safer School Parking

Where you park matters

- Walk together, bike together or car pool
- Try arriving a bit earlier or later to avoid peak times
- Park a short distance from school and walk the rest of the way

Safer School Parking

Where you park matters

Parking on verges or footpaths puts children at risk

City of Gosnells Rangers are working to keep your children safe by monitoring parking at local schools.

School Watch encourages the school community to report any suspicious activity in an around school grounds, after hours and on weekends, as well as during school holidays. Telephone 1800 177 777 (freecall) or 13 14 44 (WA Police)
