Classes will have the chance to attend the Larrikin Book Fair during their library session and have the opportunity to make a 'wish list'; younger students will receive help with this. The wish lists will then be sent home so you can review them.

You will be able to review your child's choices and pre-order online using click & collect at <https://larrikinhouse.com.au/collections/book-fair-range>. You will also have the option to purchase items at the Book Fair in person.

## Understanding Bullying

### What Is Bullying?

Bullying is **repeated** ongoing negative behaviour directed at an individual or a group with the intention to hurt or harm. Bullying is NEVER OK! It is hurtful and can impact someone for a long time. There are different types of bullying. Below are some of the more common forms:

- Verbal:** Name calling or put downs, threats, teasing, ridiculing and yelling.
- Physical:** Punching, tripping, kicking or stealing and/or destroying someone else's property.
- Social:** Leaving people out, gossiping, or talking about someone behind their back. This can also include lying, spreading rumours, mimicking, making fun of, or playing nasty jokes to embarrass and humiliate.
- Cyber:** Hurting someone using technology, via email, chat groups, text messages, social media, websites and online games.

### What Can I Do About Bullying?

Bullying can happen anywhere. It can happen at school, home, work, sport and online. If you feel like someone is being bullied, you can be an Upstander by taking action. You can:

- Intervene (if it is safe for you to do so)
- Speak up and say something, for example "That's not ok," or "Hey, that's unfair."
- Remove and support the target
- Don't join in
- Tell someone, report it

If YOU are being targeted by bullying behaviour, it is also very important that you tell someone. You can let the person know that their behaviour is not OK. Do not show them that you're upset! Stay calm, use assertive body language, walk away, and tell a trusted adult.
