Term 4 Week 2

Wednesday 18 October 2023

## Together We Grow

### GROWTH, RESPECT, OPPORTUNITY, WORTH

#### WELCOME TO ALL

Dear Parents/Carers,

Welcome back to Term 4!! The school has some exciting events planned for students this term. Parents and Carers please note these events and look out for additional information from the school.

#### CASUAL DRESS DAY TO SUPPORT VICTIMS OF THE AFGHANISTAN EARTHQUAKE

On Friday 20 October students may wear casual clothes and bring along a gold coin donation that will be donated to support families in Afghanistan. Donations are voluntary.

You may be aware that Afghanistan recently suffered a large earthquake that has unfortunately resulted in more than 1,300 deaths and 2,000 injuries. Approximately 19,000 people in total have been affected.

As we have many students who originate from this country we would like to make a donation to assist with aid for the affected area. All funds raised will be sent to **CARE Australia** who are directly supporting the victims of the Afghanistan Earthquake. Your support is appreciated.

#### BOOK FAIR

A reminder to students and Parents/Carers that the Book Fair commences on Monday November 20<sup>th</sup> in the school Library.

#### P&C BOOK AWARD ASSEMBLY 2023

A reminder that our P&C Class Book Award Assembly will be held on Monday 27<sup>th</sup> Nov from 1.45pm. Each class teacher will present two awards; an Endeavour Award and an Achievement Award. Parents and Carers are welcome to attend.

#### GRADUATION ASSEMBLY

The Year 6 Graduation Assembly will be held on Wednesday 13<sup>th</sup> December at 9.00am in the covered assembly area followed by a morning tea. Invites will be sent home shortly.

#### STUDENTS NOT RETURNING TO THORNLIE PS IN 2024

Parents/Carers, if you are aware that your child/ren will not be attending Thornlie Primary School in 2024 we kindly request that you inform the front office as soon as possible to allow for future class planning.

#### UPCOMING EVENTS IN TERM 4

# You're Invited to the Thornlie Primary School Book Fair

20<sup>TH</sup> - 24<sup>TH</sup>  
NOV

Our school is hosting a Book Fair with Larrikin House soon. Book Fairs are a great way to earn new resources for our school. Our school receives a generous commission on all sales from the fair.

Classes will have the chance to attend the Larrikin Book Fair during their library session and have the opportunity to make a 'wish list'; younger students will receive help with this. The wish lists will then be sent home so you can review them.

You will be able to review your child's choices and pre-order online using click & collect at <https://larrikinhouse.com.au/collections/book-fair-range> You will also have the option to purchase items at the Book Fair in person.

## LARRIKIN BOOK FAIRS TOP 200' CLICK & COLLECT ORDERING

1. You can **ONLY** order from our '**Book Fair Top 200**' range/page below.
2. In the **cart** below your selection add your **Child's Name and Class** in the '**Click & Collect Information**' field.
3. At **Checkout** be sure to select '**Click & Collect**' as your **Shipping Method**.
4. Carefully Choose your **School Name** from the list.
5. Print / show your **order email** at the Book Fair as proof of purchase by the closing date.

We will also be accepting regular cash and credit card payments on site during the Book Fair too.

Although every effort will be made to ensure your child brings home the correct item/s there could be a lack of stock or change of students' minds.

If there is a discrepancy, please contact us and we will resolve it as best we can.

If you would like to donate a new book to our school library, each classroom teacher has selected a few titles. There will be a section 'Teacher's Choice' at the Book Fair.

# YEAR 6 CAMP 2023

# What's Happening in Room 8?

The students in Room 8 have been working hard on their Science/Technology project that will be presented during our Learning Journey this term. The students had to work in groups and create habitats of an endangered species. To enable them to complete this project, students had to learn about their selected endangered species and how it adapts to survive in its environment. Not only did the students create 3D models of these habitats, they also presented their findings in an Information Report.

## THORNIE PRIMARY SCHOOL

### CLASS PLACEMENT OF STUDENTS POLICY & GUIDELINES

#### **Guiding Principle**

The child's educational interests will be the basis for class placement ahead of all other considerations.

#### **Rationale**

Individual class placements can have significant effects on student achievement and must primarily be based on the school's professional judgements of the child's educational needs, circumstances and interests.

#### **Policy Guidelines**

##### *Placement Criteria and Considerations*

- The child's academic, social, physical and emotional needs.
- Creating balanced class groups across the school.
- Whole of school organisation and flexibility.

#### **Communication**

- Parents are provided with a copy of the policy "Class Placement Policy".
- Parents are advised that letters from parents will not be considered in the placement process.
- Class lists are posted in the covered assembly area the day prior to the start of Term 1.

#### **Placement Procedures**

- Teachers and administrators spend a considerable time selecting the best placement of all students.
- The administration team and teachers review all the drafted lists prior to the preparation of final class groups.

#### **Special Placements**

- 'At Risk' children or those with special needs will be identified and recommended for placement first.

#### **General Placements**

- Projected numbers for the new year are estimated and possible class structures are then considered by the administration team.
- Staff are consulted on the preferred class structures.
- Teachers make placement decisions based on their knowledge and experience of students.
- Student and staff knowledge is used to provide information on friendship groups.
- Teachers meet to formulate the proposed classes.
- Specialist teachers consider class groups to provide their input.
- School administration make a final review of the class groupings.
- Parent requests for alteration of the class lists will not be considered by the school's administration.

Review Date: 2023

The successful implementation of this policy will ensure smooth transition from year to year with the overall well being of every student in the school being considered.

CoderDojo movement believes that an understanding of programming languages is increasingly important in the modern world, that it's both better and easier to learn these skills early, and that nobody should be denied the opportunity to do so.

To that end, we've built a global network of free, volunteer-led, community-based programming clubs for young people. Anyone aged seven to seventeen can visit a Dojo where they can learn to code, build a website, create an app or a game, and explore technology in an informal, creative, and social environment.

Come on down and see if you can help solve this year's First Lego League challenge, or create a challenge of your own!

### Remember:

- \* WiFi available.
- \* Laptops available or BYO

### Choose your challenge:

- \* Scratch
- \* Javascript
- \* Python
- \* Lego Mindstorms now with Micropython!
- \* Arduino Robots
- \* ...?

### Please bring:

- \* A parent! (Very important). If you are 12 or under, your parent must stay with you during the session.
- \* Your own drink bottle
- \* Ideas!
- \* Enthusiasm!

The CoderDojo website is back up and running, so if you are able, please sign up / in / book in, thanks.
